

8-3/4 MOPAR COMPONENTS

39016	MW 8-3/4" Mopar Pinion Yoke	195.00
<i>10-spline, 4340 steel for 1350 series U-joint</i>		
53181	8-3/4" Mopar Spool Bearings	70.70
<i>3.265" bore stock case (for MW spool)</i>		
53182	Pinion Bearing Set	135.93
<i>8-3/4" Mopar, 1-3/4" pinion diameter</i>		
53900	8-3/4" Mopar Ring Gear Bolt Kit	25.00
53901	8-3/4" Mopar Rear Gasket	8.50
53902	8-3/4" Mopar Pinion Nut	3.75
53904	8-3/4" Mopar Pinion Seal, 1-3/4"	39.50

53905	8-3/4" Mopar Pinion Seal, 1-7/8"	22.50
53910	Shim Kit	59.60
<i>8-3/4" Mopar, 1-3/4" pinion. Includes pinion depth and preload shims, pinion seal, and marking compound, pinion nut and washer.</i>		
53920	Pinion Shim Kit (489 Case)	64.18
<i>8-3/4" Mopar, 1-7/8" pinion (tapered pinion). Includes pinion depth shims, crush sleeve, pinion seal, pinion nut / washer, and marking compound.</i>		
83-1037	Installation Kit, 8-3/4" Mopar	144.27
<i>For 742 case with 1-3/4" pinion. Includes pinion depth and preload shims, pinion nut and washer, pinion seal, spool bearings (with 2.00" bore), pinion bearings, ring gear bolts, gear marking compound, and gasket.</i>		
83-1031	Installation Kit, 8-3/4" Mopar	140.00
<i>For 489 case with 1-7/8" Pinion. Includes pinion depth shims, crush sleeve, pinion nut and washer, pinion seal, spool bearings (with 2.00" bore), pinion bearings, ring gear bolts, gear marking compound, and gasket.</i>		
56003	Mopar Non-Adjustable Axle Bearings (pr)	102.50
<i>2.875" O.D., 1.562" I.D. for stock ends w/spiral lock (not shown)</i>		

NOTE: When ordering a 8-3/4" Mopar installation kit please specify whether using a spool or stock carrier so that correct carrier bearings are sent with the installation kit.

8-3/4 MOPAR SPOOLS

53179	8-3/4" Mopar Aluminum Spool	450.00
<i>MW 35-spline for cars under 1800 lbs., weight 5.2 lbs.</i>		
53180	8-3/4" Mopar Spool	308.00
<i>MW 35-Spline, 14 Lbs.</i>		
53186	8-3/4" Mopar Spool	308.00
<i>Stock type 30-spline, weight 14 lbs.</i>		
53187	8-3/4" Mopar Spool	330.00
<i>MW 35-spline, L/W profile milled, weight 12.5 lbs.</i>		

8-3/4 MOPAR BILLET CAP

As with most rears, the stock caps are a weak link of the 8 3/4 Mopar. MW now offers a billet steel cap that is pre-bored and threaded. Caps are easily installed with a simple milling operation. Caps include Grade 8 hardware.

53950	8 3/4 Mopar Billet Cap(ea).	105.00
53960	Heavy Duty Adjusters (pr)	67.50
<i>CNC Machined Billet Steel</i>		

8-3/4 MOPAR AXLE & SPOOL PACKAGE

The MW 8 3/4 Mopar Axle/Spool Package includes a pair of custom built standard Hi-Torque axles (any length/spline combination), 56003 axle bearings, standard steel spool and a complete 5/8 drive stud kit.

HI-K13	8-3/4 Mopar Axle Spool kit	1032.40
<i>Hi-Torque axles, spool, wheel bearings, retainers, drive stud kit</i>
