

QUICK RELEASE STEERING HUBS

MW quick release hubs not only make it easier for drivers to get in and out of their cars under normal conditions, but they're invaluable in emergency situations. Our hubs feature a close tolerance between the splines in the hub and the splined mounting sleeve. This eliminates annoying "slop" common with hex style hubs and contributes to unsurpassed driver feel. All hubs incorporate a positive ball/detent lock, while the sliding collar's shape facilitates easy "two finger" operation. The chromoly 1" x 48 tooth splined sleeve (with one tooth omitted for indexing purposes) can easily be welded or bolted to any 3/4" O.D. steering shaft. Hubs are CNC machined from billet 7075 aluminum and black anodized for durability. Note: *Splined sleeve & wheel mounting hardware included w/ each hub kit.*

10020 Q/R Hub Dragster & F/C	120.00
<i>For MW wheels, 4 holes, 3/16" holes, .75 x 1.65</i>	
10025 Q/R Hub	154.00
<i>5-Hole Grant GT Pattern, 3/16" hole, 5 x 2.86 B.C.</i>	
10029 Splined Sleeve, Bolt on	32.00
10050 Q/R Hub	154.00
<i>6-Hole Sparco/Momo Pattern. 3/16" holes, 2.755" (70mm) B.C</i>	

10060 Q/R Steering Hub	120.00
<i>3 hole Don Long style, 10-32 thd., 3 holes on 1.375 B.C.</i>	
10070 Q/R Hub	120.00
<i>Oval track, 3 hole x 1/4" threads on 1.75 B.C.</i>	
10080 Q/R Hub, Universal	120.00
<i>Blank 2.45" diameter flange.</i>	
30112 1/4" Cross Bolt and Nut	7.95
<i>Aircraft smooth shank bolt with washers and Jet nut.</i>	

DRAGSTER STEERING WHEELS

MW Dragster/FC steering wheels are fully CNC machined from 3/16" aluminum. Main wheel is fully polished inside and out with polished grips. MW wheels are approximately 7 5/8" wide and 7 1/8" deep and drilled to match steering hub #10020 or D5 mount.

We can offer wheels without the grips installed for customers wanting the have the grips anodized colored with other car components.

10035 Dragster/FC Type Steering Wheel	170.00
<i>With polished grips, Mounting drilled for 10020 quick release hub or D5 weld in mount. We no longer offer anodized colored grips.</i>	
10046 Switch Panel*	45.00
<i>Brushed Aluminum, w/ Button Holes</i>	
10048 Switch Black Panel*	45.00
<i>Black Aluminum, with Button Holes</i>	

**Switch panel mounting holes must be drilled in steering wheel.*

STEERING WHEELS

713-4 10" Grant "D" Shape Wheel	147.00
<i>Black suede grip, silver spokes. Uses 10060 Quick Release hub. Dragster/Altered Applications. Note legal for door cars.</i>	
763-1 13" Grant Steering Wheel	124.00
<i>Black grip, silver spokes. Uses 10025 Quick Release hub.</i>	
764-1 13" Grant Steering Wheel	134.00
<i>Black grip, yellow stripe Uses 10025 Quick Release hub..</i>
